JOB TITLE	:	Four (4) Rural Infra Engineer (RIE)
OFFICIAL STATION	:	RPCO 10, Cagayan de Oro City
Reporting Responsibility	:	Shall report directly to the PRDP RPCO 10 I-BUILD Head
JOB TYPE	:	Consultancy
NATURE OF JOB	:	Office and Fieldwork
MONTHLY SALARY	:	Php 40,000.00/pax

Background

The Government of the Philippines (GOP) has obtained a loan from the International Bank for Reconstruction and Development – World Bank (IBRD-WB), amounting to FIVE HUNDRED MILLION DOLLARS (US\$500,000) for the purpose of financing the Philippine Rural Development Program (PRDP) to support the Government's effort to reduce poverty among the rural communities in the country.

The PRDP is a six-year (2013-2018) initiative of the government envisioned to increase farm and fishery productivity and incomes in target areas in all 16 regions of the country. The program seeks to achieve this objective by improving access of farmers and other industry players to a strategic network of infrastructure, market information and support services. Specific investments and interventions are to be implemented under four central components of the program, namely: 1) Investments for AFMP Planning at the Local and National Levels (I-PLAN); 2. Intensified Building Up of Infrastructure and Logistics for Development (I-BUILD); 3) Investments for Rural Enterprises and Agricultural and Fisheries Productivity (I-REAP); and 4.)Implementation Support to PRDP (I-Support).

Job Description
